MISSION

The mission of the PRCC is to educate media, trade and consumers on the quality of Cabernet Sauvignon and red Bordeaux varietals produced in Paso Robles, and to promote the varietals themselves, as well as the global marketing of Cabernet Sauvignon and red Bordeaux varietals from Paso Robles.

VISION

The PRCC is a grassroots organization which strives to promote the full potential of the Paso Robles appellation in producing superior quality, age-worthy, balanced, classic Cabernet Sauvignon and red Bordeaux varietals to trade, media, and consumers worldwide.

WHO WE ARE

A close-up photograph of a hand holding a wine glass filled with red wine. The hand is positioned over a document that has a large, dark, circular stamp or seal on it. The document is white and appears to be a certificate or a contract. The background is dark and out of focus. The text "2019: A YEAR OF SUCCESS" is overlaid on the image in a white, serif font, centered horizontally and partially obscured by a white horizontal line.

MEASURABLE CAB GROWTH

The Paso Robles CAB Collective conducted an analysis of the U.S. Department of Agriculture's California Grape Acreage Report, 2018 Crop (released April 2019) and found the following results for the Paso Robles region:

THE STATISTICS

Cabernet Sauvignon

Cabernet Sauvignon makes up **74%** of all red Bordeaux plantings in Paso Robles

Red Bordeaux

In 2018, Paso Robles accounted for **14%** of the state's total red Bordeaux acres planted

Overall

The Paso Robles AVA is now the **2nd largest grower** of Cabernet Sauvignon in California

TOTAL COUNTY ACREAGE

- Cabernet Sauvignon
- Red Bordeaux - other
- Red Rhônes
- Zinfandel
- Reds - all other
- Whites - all

Cabernet Sauvignon accounts for 42% of all planted acreage.

Cumulatively, CAB varieties account for 57% of the region's plantings.
